

SIGNAL™

SPRAY PATTERN INDICATOR

CAUTION

KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

Before using this product, read the entire label, including the conditions of sale.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Give a large amount of water to drink. DO NOT induce vomiting. Seek medical attention immediately.

If Inhaled: Remove to fresh air.

If in Eyes: Flush with water for 15 minutes. Seek medical attention immediately.

If on Skin: Remove contaminated clothing. Wash skin contact area with plenty of soap and water.

GENERAL INFORMATION

SIGNAL is a concentrated, temporary, blue spray pattern indicator and solution colorant designed to be added to pesticides and other liquid spray solutions. SIGNAL provides highly visible evidence of where a spray applications has been made. SIGNAL eliminates waste due to overlapping and skipping, while it indicates drift and improper application.

SIGNAL easily dissipates, is nontoxic and totally compatible with water-soluble solutions. SIGNAL is designed both for agricultural and non-crop uses. It is ideal for golf courses, parks, cemeteries, athletic fields, lawn care maintenance, utility rights-of-way, forestry and any large turf or grass areas.

DIRECTIONS FOR USE

FOR USE WITH PESTICIDES REGISTERED FOR AQUATICS, FORESTRY, INDUSTRIAL, MUNICIPAL, NON-CROPLAND, RIGHTS-OF-WAY, TURFGRASS AND OTHER APPROPRIATE USES.

USE RATES

Broadcast and Handgun Applications: 32 ounces per 100 gallons (1 L per 400 L) of spray solution.

Back-Pack Sprayers: 1/8 – 1/4 ounce per gallon of spray solution.

Turf or weed color, height, and individual water conditions, such as hardness, pH, iron content, etc., may dictate variations from the suggested use rates. Higher application volumes may require adjusting the use-rate of SIGNAL accordingly. Sight adjustment is recommended.

MIXING:

In the absence of specific mixing instructions found on the pesticide label, fill the spray tank with at least 50% of the desired finished carrier volume. When premixing in a mixing vessel or inductor, fill with at least 20% of the desired finished carrier volume. While the carrier is agitating, add tank mix ingredients in the following order:

1. Compatibility agent, if needed.
2. Dry formulations (WP, DF, WDG, SP) and dry drift retardants.
3. Liquid drift retardants and flowable formulations (F and FL).
4. Microencapsulated and suspension concentrates (ME and SC).
5. Emulsifiable concentrates (E, EL or EC).
6. Solutions (S, L and LC), micronutrients, liquid or suspension fertilizers.
7. Adjuvants (COC, HSOC, MSO, NIS) and/or water conditioning agents.
8. Finish filling to desired spray volume level and continue agitation.

STORAGE AND DISPOSAL

PROTECT PRODUCT FROM FREEZING. Store or transport above 32°F. If product freezes, warm to room temperature before use. Store in original container only and do not reuse empty container. Rinse container thoroughly and dispose of the container in accordance with federal, state and local regulations.

CONDITIONS OF SALE

Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Precision Laboratories, Inc. warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Precision's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
