

2019–2020 Product List

Bagged Rock Salt

Ice Patrol Blue Rock Salt

50# bags, 49 bags/pallet

Melts ice and snow down to 5° F. Optimized crystals for high performance. Dyed blue for easy application tracking.

IceAway Rock Salt (White Color)

50# bags, 49 bags/pallet

Melts ice and snow down to 5° F. Optimized crystals for high performance.

Eco-Salt (Beet Juice-Coated Salt)

50# bags, 48 bags/pallet

Granular salt treated with beet juice. Works 30% faster than salt and works to -30° F. Adheres to surface to which applied, no tracking.

Peladow Calcium Chloride Pellets

50# bags, 56 bags/pallet

More than 90% calcium chloride—the most effective ice and snow melting compound. Melts 2 to 5 times faster than other ice melt solutions.

MAG Pellets—Magnesium Chloride Pellets

50# bags, 48 bags/pallet

Less toxic than baking soda. US Dept. of Transportation research concluded that magnesium chloride is less damaging to concrete.

MAG Flakes Ice Away Green—Mag Chloride Flakes

50# bags, 48 bags/pallet

Less toxic than baking soda. U.S. Dept. of Transportation research concluded that magnesium chloride is less damaging to concrete.

Commercial Blends

National Seed Commercial Blend

50# bags, 49 bags/pallet

Uses RUSH for high-powered ice melting. Blue crystals help provide efficient application and even ice melting. Melts ice and snow to -15° F. Safe for use on treated wood/concrete.

Lightning Fast

50# bags, 49 bags/pallet

Blue crystals help provide efficient application and even ice melting. Melts ice and snow to -12° F. Safe for use on treated wood and concrete.

Quad Release Premium Ice Melter (Dyed Green)

50# bags, 50 bags/pallet

With four effective ingredients, including calcium and magnesium chloride. Melts ice down to -16° F.

Industrial Strength Blends

Power Thaw

50# bags, 49 bags/pallet

Blue crystals help provide efficient application and even ice melting. Melts ice and snow to -20° F. Safe for use on treated wood and concrete.

Pro Slicer (Dyed Purple)

50# bags, 49 bags/pallet

Fast acting heat generation. Ice and snow begin melting upon contact. Melts ice down to -20° F.

Retail Blends

Ice No Mor (Dyed Blue)

20# bags, 120 bags/pallet

Blue crystals help provide efficient application and even ice melting. Melts ice and snow to -5° F. Safe for use on treated wood and concrete.

Winter Paw

8# jugs, 120 jugs/pallet

Safe for pets' paws. Contains no salt. Environmentally friendly and safe to use on sidewalks and driveways. Melts ice and snow to -15° F.

Bulk Products

Bulk Rock Salt

Approximately 22–24 tons per truckload

Ships out of Lemont or Chicago, Illinois terminal.

Snow-Slicer

Approximately 22–24 tons per truckload

Purple color. Ships out of Lemont, Illinois terminal.

Snow Shovels

Wolverine Snow Shovels

18" and 24" Poly Snow Pushers
