Turface® MoundMaster Blocks

Virgin packing clay, no additives to diminish quality. High plasticity provides the best underlying structure to stand up to the intense activity received by pitching mounds, batter's boxes, and catcher's boxes. 304 blocks/pallet. Packed 8 blocks/bag, so they store easily and will not dry out.

#434278 - 50lb bags

Turface 5 Star Packing Clay

EXCELLENT PERFORMANCE AT A COMPETITIVE PRICE!

- ***High Density*** silt/clay content for strong bonding
- ***Ready to Use*** just open, pour and pack
- ***Durable*** stands up to high levels of ongoing wear
- ***Versatile*** use at all levels of play

#434859 - 50lb bags/ 40 Bags per pallet

Professional Mound Clay

BUILD YOUR MOUND AND PLATE RIGHT!

- ***Lasting Performance*** 100% Pure virgin clay
- ***Ideal*** material for shaping mounds
- ***Pliable*** construction makes it easy to mold
- ***Red is Durable***, high level of plasticity

#434504 - 50lb bags/ 40 Bags per pallet

Turface® MVP

Fights infield compaction that leads to running, sliding and ball hop injuries. MVP holds moisture, nutrients and increases drainage due to balanced air and water pore space. Absorbs its weight in water.

Play Can Resume Quickly After Rain!

#434500 - 50lb bags

Turface® ProLeague Elite Natural

Patented soil conditioner made with small more consistent particles that flow easily for aerification. Used as a topdressing ProLeague prevents slick and muddy conditions that destroy turf and make fields unsafe/unplayable.

ProLeague Saves Games!

#434514 - 50lb bags

Turface® ProLeague Elite Heritage Red

Classic, rich cherry wood color for skinned infields. Offers the same optimum moisture management professional groundskeepers have come to expect.

Excellent Ball Visibility!

#434525 - 50lb bags

Clay Tampers

1-5/8" steel handle permanently welded to 1/4" steel plate tamps.

#437244 - 8" x 8"
#437245 - 10" x 10"
#437243 - 4" x 10"

Turface® QuickDry

Make muddy conditions a thing of the past. Once applied, QuickDry works over and over again. It is perfect for team gathering spots.

434503 - 50lb bags

*Product will be priced at time of shipment

BUILDING BETTER BALLFIELDS

RAPID DRY DRYING AGENT

Stay in the game with Rapid Dry drying agent. These sand-like granules are designed to quickly wick away excess water from your infield, keeping your games playing safely and without delay.

#602980: 50 lb bags, 40 bags/pallet

EASY MOUND PACKING CLAY

This deep reddish brown packing clay is ideal for quick and easy building and repairing common wear areas on pitcher's mounds and batter's boxes. Also available in pre-formed bricks.

#606260: 40 lb bags, 50 bags/pallet
#921140: 304 bricks per pallet

RED INFIELD CONDITIONER

Designed to meet the challenges of wet, dry or compacted infields, this durable granule helps create passageways for drainage and eliminate compaction for truer bounces and safer play.

#603000: 50 lb bags, 40 bags/pallet

SELECT PREMIUM INFIELD CONDITIONER

Premium infield conditioner used to keep infields smooth, safe and resilient. Specially sized granules and red color makes the perfect infield topdressing.

#605120: 50 lb bags, 40 bags/pallet

Puddle Pump

Pump puddles away at 18-20 gallons per minute with this amazing non-clogging hand pump

Needs 2" of water to be most efficient, but will draw water down to less than 1/2"

#431029

TriplePlay INFIELD MIX

THE BETTER CHOICE...

1. **BORN FOR BALLFIELDS.** Triple Play Infield Mix is engineered specifically to perform as an infield surface. It is not simply a repurposed sand and gravel byproduct.

2. **GUARANTEED CONSISTENCY.** Tested by an independent laboratory to ensure it meets ASTM Infield Mix standards.

3. **QUICKER RAIN RECOVERY.** Forms a solid playing surface that promotes excellent surface drainage for quicker rain recovery.

4. **THE PRICE IS RIGHT.** Made in Chicagoland and priced to fit into the slimmest park, school, or youth baseball budget.

PLAY WHEN NO ONE ELSE CAN!!

1. **USE LESS WATER TO GET OPTIMAL PLAYING CONDITIONS.** Infiltration surfactant reduces surface tension for faster and more uniform penetration.

2. **MAINTAINS MOISTURE LEVEL FOR LONGER.** Hydration surfactant molecule attaches to soil particles and evenly disperses water.

2. **ENVIRONMENTALLY SAFE & BENEFICIAL FOR ALL SURFACES.** Multi-functional carrier is readily biodegradable and improves structure.

50lb Bag, #434518

RED TREAD WARNING TRACK MIX

- Solid footing helps keep athletes safe
- Excellent appearance and playability
- Superior drainage for fewer puddles
- Stays in place for years of use

New Aerosol Marking Paint - Colors Match Field Marking Paint!
